IMPORTANT REMINDERS FOR SUCCESS

PLEASE READ CAREFULLY. THESE POINTS CLEARLY STATE MY EXPECTATIONS CONCERNING OUR BEHAVIOR, RESPONSIBILITIES AND WORK HABITS WHILE IN MY CLASSROOM.

CLASSROOM RULES

***While I am talking, everyone is listening. If you wish to speak, raise your hand and we will all listen.**

It is a Common courtesy for each person to respect the rights of others. Be positive.

***Manners go a long way. Be polite.**

***Follow all the procedures in the MPS Student Handbook while incorporating the teachings and charisms of
Catherine McAuley.**

***Accept responsibility for all your actions.**

***Students are expected to be in assigned seats, with their notebooks, and ready to start class with Our Mission of The Day! ~**

***Always check” Our Mission” of the day from the board.**

***Have a good attitude, be prepared and participate.**

*** Check the WebPages for assignments and updates. Your and your parents and or guardians may email me anytime. The rule is if you do not hear back in 24 hours send another.**

INTEGRITY AND THE HONOR CODE

Honor is not a question, but an expectation of every member of the Mercyhurst community. The Honor Code contained in the handbook will be strictly enforced.

ABSENTEE POLICY

If a student is absent from class for a field trip, appointment or for any other reason, it is his or her responsibility to check the assignment board located in Room 110 the assignment is due on the day you return to class. If an exam is missed due to absence, your parent or guardian must notify the office that he or she is aware that an exam is being given. Make-up exams and quizzes must be made up on the day you return to school unless I agree that circumstances dictate otherwise. If you miss class for any reason, it is your responsibility to find out what was discussed in class as well as to acquire lecture notes.

DISCIPLINE

All disciplinary measures will be taken according to the Student Handbook. Please refer to it should you have any questions.

TECHNOLOGY

I Pads are valuable learning tools. However, when we are not using them to facilitate lessons and for other classroom work, they are to be turned off and put away. If you do not abide by this classroom rule, handbook policies will be enforced.

Looking forward to a wonderful year.
