

Dear Parents and Guardians,

Your child will be given access to an online version of their science book. Students can now view pages similar to those found in their textbook from any computer at school or home. The online eBook adds audio, lesson-specific demonstrations, and up-close simulations.

To access the online Science eBook for Fourth Grade:

- Go to www.eharcourtschool.com
- Type in the Username: **sstudent126**
- Type in the Password: **science**
- Click on “Go to the Grade 4 Online eBook”
- Select a chapter and select a section in the pull down area
- Click on “Go” to access the section your child is working on

A few notable features throughout the Science eBook:

- Click “play” on the book pages for the page to be read aloud
- Click “reading help” to have the words on the pages formatted for easier reading
- Click “interactive” to see a moving simulation of the Science Up Close sections

This resource is handy so that your child does not have to bring home their textbook for review. Enjoy the e-Book!

Sincerely,

Miss Cowan

4th Grade Science Teacher
