# Choose at the Camp Store

You are at the store to buy items for a camping trip.

You need to buy 3 packages of socks, 1 hat, and some packages of food. You have \$30.

<b>Camptown Sale!</b>				All prices include tax.
<b>Clothing Items on Sale</b>				
Socks	Hats	Gloves		
\$6 each package	\$3 each	\$8 each pair		
<b>Food Items on Sale</b>				
Trail Nuts	Dried Fruit	Juice Drinks	Soup Mix	
\$2 each package	\$3 each package	\$5 each package	\$4 each package	

1. What food items would you buy and how many packages of each?

---

---

---

2. Explain how you know you would have enough money.

---

---

---

3. Suppose you bought 3 packages of dried fruit. You want to divide the total number of pieces equally into 6 bags. How many pieces should you put in each bag?
