

Name _____

Dinner is Served

Cherry School has a winter fair every December. The students help to prepare and serve the food. Some foods need to be heated in a microwave. Other foods are cold and do not need to be heated. Look at the chart. Then answer the questions.

Food	Minutes to Heat Up
Bowl of Pasta	1
Sandwich	0
Chicken Wrap	1
Salad	0
Bowl of Chili	1

1. The fourth-grade class is serving sandwiches. How many minutes will this class need to heat 45 sandwiches?

2. The sixth-grade class is serving pasta. How many minutes will this class need to heat 30 bowls of pasta?

3. The second-grade class is serving chicken wraps. How many minutes will this class need to heat 25 wraps?

4. The seventh-grade class is serving chili. How many minutes will this class need to heat 20 bowls of chili?

5. The first-grade class is serving salad. How many minutes will this class need to heat 35 plates of salad?
