

SCHOOL IS MY JOB!

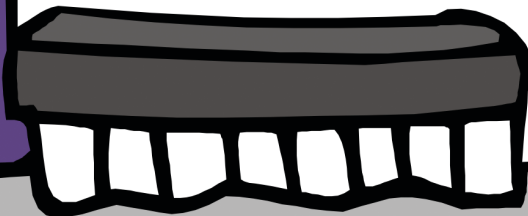

School is the place where I spend lots of time.
The things I learn there can last a lifetime.
But I'll only find success if I try very hard.
Attitude and effort show on my report card.

Responsibility, listening, and setting high goals
Are the jobs of a student, but just part of the whole.
Good work habits and study skills add to the rest
If I want to succeed, I must try to do my best!

Ways I Can Show **RESPECT FOR OTHERS**

The page features a large rectangular area defined by dotted lines, divided into four equal quadrants by a vertical and a horizontal line. The top-left quadrant is outlined with red dots and has a yellow star at its top-left corner. The top-right quadrant is outlined with orange dots. The bottom-left quadrant is outlined with blue dots. The bottom-right quadrant is outlined with green dots. This layout is designed to guide students in writing their responses to the title.
