Directions: Recall the information in the persuasive essay from the Humane Society of the United States. Then answer the questions in phrases or sentences.

1. What does the Humane Society say that most people are unable to do for wild animals?
2. What happens when wild animal pets grow up?
3. Why do the Centers for Disease Control and Prevention discourage direct contact with wild animals?
4. How do wild animals suffer when kept as pets?
5. What responsibilities come with having any animal as a pet?
