

Story Cube

Template 1

1. Print out Template 1 and Template 2.
2. Cut out each template.
3. Fill in each face with the required information.

Face 1: summarize the setting and cite evidence from the text

Face 2: summarize the main and supporting characters

Face 3: summarize the problem and solution, citing evidence from the text for each

Face 4: summarize the similarities of both stories, citing evidence from the text

Face 5: summarize the differences of both stories, citing evidence from the text

Face 6: summarize the conclusions that can be made across both texts

4. Make the folds on all fold lines.

5. Glue or tape the 2 templates together forming a cube with words “tab” and “fold line” on the inside.
